

Circulatory and back deep tissue massage (50') € 90,00
 Manipulations and mobilisations of the cervical spine to facilitate joint movements. Circulatory massage techniques are used on the rest of the body, concluding with loosening techniques with hooked fingers to relieve the muscle tensions.

Tranquillity Ritual Body Touch (55') € 110,00
 Excellent, pampering, relaxing massage even though energetic where necessary (legs and back). Thanks to the plant melatonin oil, it contrasts the signs of skin aging, promotes the psychophysical balance and promotes muscle relaxation. It stimulates the production of endorphins and improves the quality of sleep and mood.

Ayurvedic Indian Massage (50') € 95,00
 The masseur's hands glide gently and strongly over your muscles, penetrating between your joints, reaching even the deepest tissue and releasing the chakras, fundamental energy centres in our body according to ayurvedic medicine. The main objective is to do away with the resistance that the mental component has established in the body. It has an excellent draining effect.

Hot Stone Therapy (50') € 100,00
 Relaxing, draining and loosening exercises, performed with hands and hot stones that release energy and well-being, therefore achieving the rebalancing of the chakras.

Tibetan (55') € 100,00
 A holistic massage based on the idea that the body consists of three elements: wind, fire and phlegm (humours). They must be balanced in order for us to achieve wellbeing. Carried out with slow, deep movements, this technique is performed with hands and also bells, whose vibrations during the massage are designed to produce mental and physical wellbeing.

Omes and the five continents massage/ treatment (60') € 150,00
 Designed for guests wanting a facial and body massage at the same time, this treatment represents a complete innovation in the world of wellness because it consists of techniques and philosophies from all five continents. It includes a collagen mask, a scrub drainage massage, Ayurveda movements, Chinese micro massage and foot reflexology.

Candle Massage (50') € 110,00
 A concentrate of well-being for the body and mind. The precise movements of the massage, strengthened by the beneficial action of heat, relax the muscles and free them from contractures. The vegetable oils and butters that slide on the skin moisturize and nourish.

Lemontano Ritual indiv. or couple (per pers.) (90') € 180,00
 Personalized massage, performed in our lemon grove overlooking the sea between sounds of nature and citrus scents, followed by thermal hydromassage in the "Accarezeme" pool and Lemontano cocktail.

Long Lasting Massage (60') € 120,00
 60 minutes of intense wellbeing for a personalized massage based on your own needs.

Four hand massage (40') € 120,00
 The four-handed massage is a luxury treatment with a strong emotional impact that at least once in your life you should treat yourself and try. It is a special experience because one has the sensation of being pampered and looked after in a complete way.

Our service philosophy has been designed to recover a state of psychophysical well-being, meet the needs of relaxation, maintain physical fitness, and improve general health. Several plant species are used in the creation of this collection of treatments to enhance the beauty and maintain the health of the skin. Phytomelatonin extracted from the heart of plants, modulator of life cycles, introduces the concept of Psychocosmetics. Revitalizes the skin giving a lifting effect and restores an extraordinary sense of well-being and joy to the mind and body. The high quality products of Fonte Ninfe Nitrodi, suitable for all skin types, protect, hydrate and purify even the most difficult skin. Furthermore, eudermic products offer valuable support for those suffering from psoriasis and dermatitis. All products are formulated without petrolatum, LES and parabens.
